after the wisdom tooth extraction. The doctor did an amazing job. I am extremely satisfied with the experience and will definitely recommend it to others.

- [H6] Hello, this is Dr. Aarti (I am a dentist myself). I had problems with my front teeth for a long time as they were decayed. I got fillings done multiple times, but I was never satisfied with the results. So, I finally decided to go ahead with a permanent solution. I chose to get Laminates (smile designing) done. I had complete trust in Dr. Akshay, and I am amazed at the results. I got my natural smile back. As a dentist, I have high expectations, and I was not disappointed. Thanks to Dr. Akshay for the wonderful job.
- [H6] Generally, dental problems are very painful, but their treatment at this dental clinic is very good and absolutely painless. They have the latest machines and highly experienced staff. Moreover, they are very humble and polite with all patients, explaining the problem in detail and providing the best solution. I wish them all the best.
