To minimize waste and prevent the overproduction of merchandise, all items (excluding our handmade art) are outsourced for production and drop-shipped directly to our customers. This approach allows us to produce only what is needed, reducing our environmental footprint. While FLOrigin is proudly based in Florida, not all of our merchandise can be sourced from production partners within the state. As a result, some items may be shipped from other states. We appreciate your understanding and support in our efforts to maintain sustainable practices.
