Each original piece of Jewelry, Scarfs, Clutches and Wall Art Mirrors are individually handcrafted to guarantee that you own a one of a kind creation. Inspired by my childhood fascination of marbles, I make the beads from resin and have a variety of colors available to suit your taste! I have worked for several years to perfect my creation process and believe that each of my pieces are as unique and special as the people who wear them. All of the jewelry's accents (the Ethiopian crosses and script) are embedded into the resin rather than simply placed on top. This will ensure the uniqueness and longevity of your custom made piece.
