I did not feel judged and I felt like I was the only patient around. It was just beyond superb and excellent. The office manager greeted me right off the bat and she knew my name!! I have never been in the place. I'm looking forward to getting better. And this is just unbelievable all around. I have never been more appreciative in terms of being important to the Dr. anywhere. There's just not a lot of healthcare providers around like this anymore. Outstanding.
