print ink, screen print discharge / waterbase ink, and specialty screenprinting inks like glow-in-the-dark and glitter. Want to design your own custom screen printed t-shirt? Give our "make your own t-shirt design tool" a try. Our design tool will allow you to create t-shirts with custom screen printing, embroidered hats, polos, dye-sublimated shirts, and full color DTG direct to garment t-shirts. It is easy and free with plenty of art templates, clip art, and design elements for all!

- [H3] Want something trendy and different? Try our dye-sublimation process and get funky with a cool and stylish all over dye-sublimation print on the front and back of your shirts. Dye-sublimation offers vibrant a full color print to help you stand out.
- [H3] Need help finding your next promotional product? We know there is a lot of promotional product items to pick from. If you would like help from a professional to find the best promotional product for your trade show, or convention then contact us and one of our friendly promotional products consultants will be happy to help you find the perfect promotional item to help make your convention or trade show a huge success.
- [H3] Stand out in a big way! Consider one of our banners or coroplast yard signs! We can create your custom banner or coroplast yard sign as small or as large as needed. We offer indoor and outdoor sign and vinyl banner options that will leave your marketing message for all to see! With all of the severe weather coroplast yard signs is the perfect item for roofers that need simple roofing yard signs or the realtor that needs real estate yard signs to advertise their product or service.
- [H3] Don't forget the tried and true classic marketing method of print media! One of the best ways for you to leave a lasting impression with your client or potential client is to leave a business card, flyer, or brochure behind. Sending Direct Mail utilizing post cards is also a great way to stay in front of your existing customers as well as find new ones. You can continue your branding efforts with form letters on your professional letterhead and custom envelopes. Try using custom carbonless business forms for quoting or invoicing a customer. Custom logo branded carbonless business forms is a quick way to give your client or potential client information they can immediately keep for their records. Give us a call, we can help you with all of your printed marketing materials and print media needs.
- [H3] DTF Direct-To-Film and DTF Transfers is all the rage! This new process will allow a full color design on light or dark fabric types as well as fabric material like cotton, polyester, and blends. Custom DTF Direct-To-Film Full Color Transfers have NO MINIMUS and NO SETUPS making this a very popular decorating method for all. This method of decorating is very durable, flexible, soft to the hand all while keeping its vibrancy. We use DTF direct-to-film printing method to decorate simple items like t-shirts, caps, totes, hoodies, and golf polo shirts that want a custom full color print and is great for small or large orders. For the do-it-yourself enthusiast, Click [here](#) to use the easiest DTF transfer upload tool in the business. It is as easy as selecting a transfer sheet size, or we have "gang sheets" where you can add as many transfers on a
