He seems to be very competent. I believe that he really knows what he is doing and he is easy to talk to. He has done quality work for both me and my partner. He is very good at clearly communicating to me what his findings are.”• [H3] “This was my first visit to City View Dental and I am so overwhelmed by the service they provided. From the Front desk to the doctor, you get all the answers to your question in detail. Specifically Doctor David, he explained my overall dental health condition and responded to all my questions with tons of patience. They have literally earned the Trust with their awesome service. Will look forward to them for all my future dental needs. You guys deserve more than 5 stars!”• [H3] “If I ever moved I would return to Portland to visit this wonderful dental office. I always receive top notch care here. Everything is explained, and they are great at making dental care a pleasant experience.”• [H3] “I have been a patient of City View since 2006 and Dr. DeAinza and his staff continuously exceed my expectations. Thanks for providing such a high level of service on a consistent basis.”• [H3] “I've been going to City View Dental for close to 10 years. The staff is friendly and considerate and the work is top notch. I look for quality in service providers and Dr. DeAinza and his staff never disappoint. They'll take the time necessary to make it right., unlike a lot of the larger practices that are focused more on volume. I've referred a half dozen people or so over the years and can recommend this practice highly.”• [H3] “I have recommended Dr. DeAinza to a few people and they have been seeing him for years now too! He is great and only hires kind and caring people into his practice. You can really tell his staff love working for him! He attempted to fix some previous bad dental work for me free of charge. He is an honest person and when he recommends treatment he is putting the patient’s interests first!”• [H3] professional memberships• [H3] Business Hours
