- [H6] India is the only country compared to any other which offers all Dental Treatments at a very economical Cost and hence the affordability.
- [H6] The equipment and facilities that are available in India and Dental Care in particular, are comparable with any developed country in the world. For example, IOC (Intra Oral Camera), OPG (Orthopantamogram), Dental Lasers, Dental Implants, Root Canal infrastructure, Cosmetic Dentistry infrastructure, Smile Design infrastructure and Tooth replacement infrastructure equipment are exactly the same as is available in the USA / UK and other developed countries.
- [H6] Like the Equipment, Dental Care uses imported Dental Materials for all its procedures which are manufactured in the developed countries of the west. Inspite of higher costs, Harmony Dental Centre delivers quality results at 20% of the cost as compared to the west.
- [H6] Fixing an appointment would be the first step for which Harmony Dental Centre's website "www.harmonygwalior.com" could be used. You could state your basic requirements and also your problems. A Specialist will study the issues and respond to you thereby customizing the treatment plan and recommendations
- [H6] "Harmony Dental Centre" is a one stop shop for all Dental Healthcare needs. With 45 branches, the network is the largest & fastest growing Dental healthcare chain in South India. All required infrastructure to suit the needs of International patients are available. Dental Care Delivers the same quality of Treatment as in other countries of the world. Dental Care has vast expertise in handling International patients and we understand their needs and special requirements.
- [H6] The different stages of treatment could be - Recording of patient History. Consultation and provisional Diagnosis. Tests / OPG / IOPA. Diagnosis and Specialist Consultation. Treatment Plan, Schedules and Treatment costs. Treatment. Follow-up. Most treatments will last for a Week and not more than 10 days which has been our experience.
