- [H2] I went in yesterday for a root canal and temporary filling. I was extremely nervous as I haven't been to the dentist in years and had a traumatic experience as a child in the 90's. However they were very kind to me, and I experienced no pain aside from a pinch from the second anesthesia shot. I want to thank Dr. Matt Mook Sang and his lovely assistant for doing such great work on a very difficult tooth. I have zero pain which is so nice and truly appreciate their patience with me. I plan on coming back here to get all my dental work done as I know I am in good hands.
- [H2] I always had horrible experiences with Doctors and Dentists and of course you need both! A colleague had insisted I come in to see Dr. Matt Mook Sang. I made the trip down and I have been a patient ever since. Matt is very professional, down to earth and what I love the most is he educates you about your teeth and steps you can take to improve your dental health. He puts you at ease, he works with passion and confidence. When I walk in to the clinic, I am immediately greeted by the wonderful staff, they are very warm and inviting, love how they have a great sense of humour. Thank You guys, you all play a very important role in keeping your clients completely satisfied. You guys have earned a loyal client, and hopefully many, many more! :)
- [H2] I have been going to Dr Craig & Matt Mook-Sang's Dental Practice for over 30 years since a child and I have always had a positive experience. The staff are kind, warm, and welcoming not to mention the precision and expertise from the dental technicians and the amazing dental team. I enjoyed my experiences as a child so much that the first job I wanted was going to be a dentist. The team is usually within minutes of the time of your appointment and a thorough cleaning, polish, and dental check up are performed. Reasonable, caring, effective.
