|          | <b>Description</b>                           | <p>Hi, my name is Kevin Nelson and I want to tell you about my experience. I had a painful tooth so I went to see my dentist. After the examination, he said that I needed to have a root canal to save the tooth. I told the dentist to just pull the tooth instead and then he explained why that wasn't a good idea. He said that pulling the tooth would cause additional problems and then he told me what could happen. I didn't want any more problems, so the dentist did the root canal and I'm glad that he did. I wanted to write a blog to tell others about the benefits of a root canal and what to expect during the procedure. I hope that by getting the word out, other people won't make the same mistake that I almost did by getting a perfectly good tooth pulled.</p> <p><b>Lengte : 775</b></p> <p>Let op, uw meta description zou tussen de 70 en 160 karakters (spaces included) moeten bevatten.</p> |          |         |     |                               |       |  |       |   |      |         |
